"I learnt off the best instructor James. The funniest, nicest guy I've met, and is a great mentor. He's a great teacher and lets you know when you have made mistakes and how to improve from them. I was able to pass my restricted test first try, because of James ability to teach me and to learn from my mistakes."

"I can't recommend James enough for everything he has done for me. From teaching me how to drive from scratch to supporting me all the way and making me laugh when I needed the most. He is an amazing person and thanks to him and his passion and patience I also got my full licence from first sitting. I am the only person I know who passed both restricted and full driving tests from the first try because I was fortunate enough to meet James! I don't have enough words to express my gratitude- thank you SO much, James!"
