"Hi, I just passed my restricted license test on first try. I've had few sessions with my instructor, Caroline, and I just wanted to say how great and patient she is. She made a plan for me, took her time to ask me what I learned from our sessions each time, and talked me through my miss steps. She was very friendly and very knowledgeable, and answered all my questions at any moment. She increased my level of confidence in driving and my test officer actually took notice of that immediately. Caroline was incredibly helpful to me and I'll book more sessions with her for my full license practices. I highly recommend her sessions to people at West auckland. Thank you so much Caroline"

"Would just like to thank Caroline for taking me for my driving lesson today. Beside the lil mishap I really am thankful for today. Even though I was a bit nervous she really assured me and made me feel comfortable. I learned a lot today on my driving lesson even though I have been driving for a few years it just goes to show that I still need a few more lessons before I can actually sit my restricted. Thank you again and i will be booking with you again until then enjoy the rest of your day."

"It's my 1st time to do the lesson and it become a fun and enjoyable training.. I did learn a lot of road rules and she guided me for every road I take. Definitely I'll book her(Ms. Caroline Phillips) again and hoping for more proper road rules knowledge. By the way, she is very calm and easy to talk with. Mernard J."

"Caroline is amazing! She was patient and calm with me all throughout the lessons. Her professionalism is hands up but to a point you can relax and focus at the same time with the lessons. I still have much to learn but she taught me a lot of the basic in driving which drivers usually forget.

I like her style of driving and will definitely recommend her to others."
