"I had a very great time. My instructor Harald was the best! He was super helpful and never took our questions as dumb questions. He was great in the driving lesson really clear and made it very simple for me to understand how to be aware of hazards and the best ways report them. Thank you Harald!!"

"Hey Rustom, it's Muhammad, I just completed my full license test and passed first try! I just wanted to say thank you for your defensive driving course and your practical test at the end. I appreciate the support and dedication you have towards your students and the test was exactly as you described, zero surprises. Through your classes and now getting my fulls Ive learnt to be a safer road user. Once again thanks Rustom."
